**Scotsman®**

**meridian™**

With the Meridian™ lineup, Scotsman has combined legendary reliability, time-saving serviceability and convenient cleaning innovations in one solution. The Meridian delivers the softest, most satisfying ice on the market today - the H² Nugget, all while meeting DOE standards.

### Ice forms

**SMALL CUBE MEDIUM CUBE GOURMET CUBE NUGGET ICE**

When selecting the ideal machine for your operation, it's essential to consider the amount and type of ice that best suits your needs. From cubes to flakes and nuggets, and from small-volume machines to high capacity models, Scotsman has you covered.

**PRODIGY**

**ESSENTIAL  
ICE™**

**Find your most convenient location.**

Scotsman's self-contained undercounter ice machines deliver high-volume capacity and efficiency in a small, manageable footprint.

**PRODIGY  
PLUS**

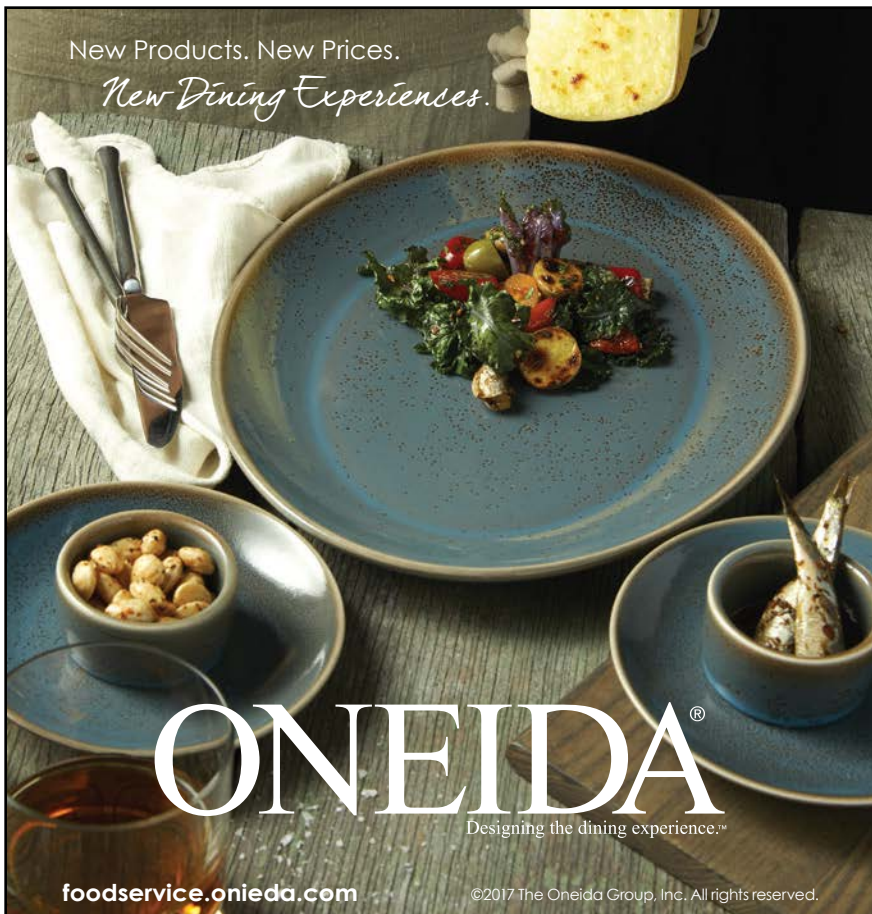

**A powerful lineup of intuitive features.**

With Prodigy Plus® technology available on most modular cube, flake and nugget ice machines, Scotsman is changing the way ice is made. More intuitive. More capable. More efficient. A Prodigy Plus® ice machine is simply the smartest, most reliable way to create fresh-tasting ice - every time.
